

# My Bouygues Telecom telephone plan

## Finding out about my new Bouygues Telecom telephone plan

My plan is **free** for two years

I have to **activate my plan** with my SIM card

To activate my SIM card, I use the form '**Activating my SIM card**'

With my new Bouygues Telecom telephone plan :

- **I have unlimited calls** within France  
I can call for as long as I like
- **I have unlimited SMS and MMS messages** within France. This means as many as I like.
- **I can use 20 GB of internet** each month in France, through :
  - going on the Internet
  - using apps
  - sending emails
  - watching videosWarning: watching videos uses lots of GB

### I can not :

- Phone abroad or phone French overseas territories
- Phone from abroad or from French overseas territories
- Send SMS or MMS messages to or from French overseas territories
- Use more than 20 GB of internet each month

### How much is 1 GB of internet connection ?

With 1 GB, I can go on the internet for between 1 and 2 hours or send around 100 emails

## To be entitled to the Bouygues Telecom telephone plan :

- I need to activate my plan before the 1st December 2021 by calling 09 81 66 21 25 from Monday to Saturday between 09.00 am and 19.00 pm  
I can use the form '**Activating my SIM card**'
- I need to have paid all my Bouygues Telecom bills if I am already a customer of theirs
- I have to cancel my previous plan if I have a plan with another telephone company

My new Bouygues Telecom plan **will stop automatically** after 24 months, i. e. 2 years.

With my Bouygues Telecom plan

- I can **call these numbers free of charge** :

**660** to listen to voice messages

**654** to see my telephone number

**680** to view my usage

**1064** to speak to a Bouygues Telecom advisor

- I can go onto the **Bouygues Telecom application** in my **Customer Area**.
